The Hong Kong Toilet Association (HKTA) was established in May 2005.

The objectives of the Association are to:

- (a) improve the quality of life of the people by continuously generating a high level of public awareness about the importance of a good toilet environment as well as facilities;
- (b) gather resources and promote creative and user-oriented design, usage, and methods of operation to achieve the above objective;
- (c) set world-class standards of excellence in the toilet environment;
- (d) network with other toilet or toilet associations or bodies worldwide for ideas, and for social, health, and cultural exchanges;
- (e) liaise with government authorities and other non-governmental organizations to organize joint activities.

To implement the above objectives, we have long-term and short-term plans. With regard to our long-term plans, we expect to:

- (a) attract more members and volunteers to strengthen the Association and promote a good toilet environment;
- (b) collaborate more with the government, non-governmental organizations, and the private sector in conducting more studies and projects;
- (c) network with other associations to hold more international and local events and conduct more studies.

The membership is open to those who subscribe to the objects of the Association and have a true interest in them.

#### A) Associate Members

Associate membership shall be open to all HKSAR Citizens and Hong Kong & Chinese Permanent Residents aged 18 and above. Not including the rights to vote and hold office in the Association.

#### B) Premium Members
